## Goldin announces NASA FY 2001 budget hike

**A**t a news conference Monday, NASA Administrator Dan Goldin announced that for the first time in seven years, the NASA budget is going up — by \$435 million in 2001. In 2005, the budget will be \$2 billion higher than this year's budget. Marshall's budget projection is up from \$2.3 billion for fiscal year 2000 to \$3 billion by fiscal year 2004.
